

About: This year, PBS Western Reserve is celebrating America's 250th by putting democracy in practice and America into action.

When a government is of the people, by the people, and for the people, democracy is always in action. America in Action is PBS Western Reserve's civics initiative, empowering Northeast Ohio and Western Pennsylvania with voter registration tools, polling information, opportunities for civic dialogue, and educational community activities that celebrate the United States' 250th anniversary.
